Attendees : Doug, Luke, Crystal, Hayden, Justin

Apologies: Adam, Hamish

Previous February Agenda Items recap

- President recap of previous meeting (notes to be detailed below)
- 20 new batteries are on the way to President and we have some new bins coming for batteries to go into 2 boxes of .28 and .25s coming also

March Agenda Items

1. Armageddon update
All go for Friday – should go off
Have flags, flyers and tv wall display for the expo
2. Container for admin and also somewhere safe/secure for hire gear 😊
Where we at with last meeting suggestions from last month with cut off etc
 - Container looking with doors on hinges on the long side
 - Can look at strengthening if need be to make it work for what the club wants
 - When it arrives – there is a committee wide working bee to sort it out and also the container
3. Field improvements – Hayden to come up with plan with ideas. If Grant required, then this can be discussed in a separate meeting --
Step 1 is sorting out the roading to meet Health and Safety standards – Quotes required
Step 2 is sorting out the containers/shelters for the field
Provide update to the members for field work plans – suggestion from Lamb for things to hire etc
 - Current work is maintenance at the moment before the weather turns to crap (tracks etc) and suggestion of bbq afterwards
 - A member has provided options for what could be hired for working bee
 - Promote free field next game due to doing a working bee – add to the website and then a “free game day board’ for when the next admin shed arrives
4. First aid kit – where is this at
 - No work needed just to change the date
5. National’s Update – where is this at
 - No camping available for this
 - How is the team going to be selected?
3 silent selectors, cut off the first week of May and team will be selected from that
 - Game play, communication and the cost involved being part of the TAC NATS Team (roughly \$1200-\$1500 per person)

Tauranga Airsoft Club Agenda

Committee Meeting Agenda

- Captain for the team?
Secretary to take role of organizing everything
 - How much is TAC funding - \$750 in the past?
6. Airsoft Trader – where we at with this?
 - No update since mentioned to party so this will be followed up
 7. Games Master – currently do not have one -- VP is to take this over with regards to weather and roles for games
 8. Hire Gear – need to discuss as this was a shamble -- vacant position to put out to members
How do we get the broken chrono fixed??? -- can be binned and a new one will be purchased by the club (cheap deal for VP)
