

30th of April 2024

Kia Ora all,

It is with sadness we wish farewell to Adam Quin who is stepping down from Tauranga Airsoft Clubs treasurer effective immediately. Along with sadness we are happy for Adam and wish him all the best on his journey.

Adam has had to shift his focus on his personal life, which of course, takes priority.

Adam has been Tauranga Airsoft Club's treasurer since the change of leadership, four years now, working extremely hard behind the scenes to keep TAC running. Adams' work is generally not seen by members but without his dedication things wouldn't run as smooth.

On behalf of everyone at Tauranga Airsoft Club, I want to express our heartfelt gratitude for your years of service, dedication and friendship. We wish you nothing but the very best in all your future endeavours. May your future be filled with success, happiness and endless adventure.

To start immediately, TAC is seeking someone with experience in finance and bookkeeping to take over Adam's role.

Applications are open to all including non members, a detailed handover will be provided. The requested time frame for the position stated is from Now - November 2024.

If you are interested in this position, please express your interest to Tauranga Airsoft Club President Doug 'Yardie' Swinyard via the email address below.
